## Who Are We

**Mid Potomac Sail and Power Squadron** is a part of the United States Power Squadrons™, the world's largest not-for-profit recreational boating organization dedicated to boating education, boating safety, civic service, and the camaraderie of fellow members.

We are one of the most active, recognized, and dynamic squadrons in USPS and offer a wide range of education and events to our members.

## Membership

The only requirements for membership are a keen interest in boating related activities and an eagerness to meet like-minded people.

Most of our members come from the Fredericksburg, Stafford, King George and Prince William areas in Virginia.
